**C) FACILITIES AVAILABLE ON-SITE:**

**1) Photography / Videography**

An official photographer / videographer will be available at the exhibition.

**2) Security**

- The exhibition premises are equipped with general security arrangements.
- If an exhibitor requires additional security for their stall during the build-up period, they can avail this service at an extra cost through the official service provider

**3) Fire Precautions**

- To ensure the safety of the event, arrangements are made for Fire Brigades with fire fighting equipment to be on standby throughout the exhibition period.
- Smoking is strictly prohibited inside the exhibition venue to prevent any fire hazards or risks to the attendees and property. These measures are in place to prioritize the safety and well-being of everyone present at the event.

**4) House Keeping**

- Arrangements are made for the general cleaning of the exhibition premises to maintain cleanliness and hygiene. However, if a particular stall requires cleaning during the exhibition, the official housekeeping agency may charge an additional fee for this service.
- Exhibitors are responsible for any specialised or specific cleaning requirements beyond the general cleaning provided.
